## Step into the Gibson

Explore the Gibson floor plan, an awesome single family home offering six bedrooms, three and a half bathrooms, and plenty of space to spread out and live comfortably. As you walk in, you're welcomed by a den and powder bath before opening into a bright, open layout filled with tons of glass and natural light. Gorgeous design details are thoughtfully incorporated throughout the home, elevating every space. Upstairs, the Gibson truly shines with four spacious bedrooms and two full bathrooms. The lower level adds even more flexibility with an additional ...
