## Step into the Riley

Come home to the Craftsman Riley! A gorgeous rambler style home with incredible natural light coming through large glass windows and an open layout. As you make your way into the foyer, you'll come across a den, bathroom, and a bedroom. The kitchen is the heart of the home with a stunning island, beautiful cabinetry, and a walk-in pantry. The primary suite is also notable in this home with a spacious closet that connects to the laundry room on the main level. Downstairs is a large area to do as ...
