Step into the Sutherland

Step into the Sutherland! Be greeted by a den in the front of the home perfect for working from home. As you make your way inside, you'll come across the staircase going up and downstairs. The kitchen, dining, and great room come together with large glass windows and tons of natural light. Upstairs includes four bedrooms with one of those being an awesome owner's suite, two bathrooms, and the laundry room. The basement of this home is incredibly spacious with lots of room to entertain. Come home to this beautiful ...
