Step into the Sully

The Sully is a stunning single-family home offering tons of glass windows, incredible natural light, and an innovative layout perfect for a family! This home is located on a beautiful homesite with a walkout basement. Step into the foyer to be greeted by a den and staircase. The great room, kitchen, and dining area come together beautifully. Off the kitchen you'll find the hallway of the mud room, the powder bath, and the pantry. This offers great privacy off the open layout! The primary suite along with three more bedrooms ...
