Step into the Nora

Welcome Home to the Nora! The Nora is a stunning split-level home designed with exceptional quality and thoughtful details. Step inside and head upstairs to the open-concept great room, dinette, and kitchen, where vaulted ceilings and abundant natural light create a warm and inviting atmosphere. Just off the great room, the primary suite offers a private bathroom for your own retreat. Upstairs, you'll find a versatile loft space, a second bathroom, and two additional bedrooms—perfect for family or guests. The spacious basement provides endless possibilities—whether you envision a home gym ...
