Step into the Hudson

The Hudson is an award-winning rambler that is a homeowner favorite!

This home offers main level living with the primary suite and laundry all on the main along with two more bedrooms. As you enter into the foyer, you are greeted by a bedroom/den, a bathroom, and another bedroom. The kitchen, great room, and dinette come together with tons of natural light and an awesome openness feel. The kitchen includes gorgeous cabinetry, quality appliances, and a large island. Downstairs has a spacious family room and the fourth bedroom and third ...
