Step into the Hudson

The Hudson is an award-winning rambler that perfectly combines style and convenience. Designed for main-level living, it features a primary suite and laundry on the same floor, along with two additional bedrooms. From the foyer, you're welcomed by a versatile bedroom or den, a full bath, and another bedroom. The heart of the home—the kitchen, great room, and dinette—flows together seamlessly, filled with natural light and an airy sense of openness. The kitchen shines with beautiful cabinetry, a fun backsplash, and a spacious island, perfect for gatherings. The great room ...
