Step into the Alley

The Alley is an exceptional single-family home built with excellent quality! Step into the foyer and notice the elegant staircase and convenient powder bath. The open layout is filled with big, bright windows that let in abundant natural light, creating an airy and inviting atmosphere. The kitchen, the heart of the home, features sleek white cabinetry, a beautiful island, and a spacious pantry, perfect for cooking and entertaining. A cozy fireplace anchors the living space, and a den offers the ideal spot for working from home. Upstairs, you'll find the ...
